Sacrificial Obedience & Love

"Help Hm to defend the poor, to rescue the children of the needy ...

~Psalm 74:2

"By this all people will know that you are my disciples if you love ..." ~John 13:35

Legacy Christian School & Church

- A nursery and primary school will open the door to education to children who have never had the chance to learn--breaking cycles of illiteracy and poverty.
- Boys' and girls' dorms and teachers' quarters will provide safety, stability, and a consistent environment to grow, learn, and thrive, including much-needed nutrition.
- Farming with crops and animals will fight malnutrition and hunger.
- A secure perimeter fence will create a safe haven to protect the children from dangers and allowing them to grow, learn, play, and rest in peace.
- Road side wall with secure gate, 24-hour guard house, a store front, and medical center will make the place set apart for transformation and hope ministering to the community and meeting the medical needs of the students.
- A trade discipleship center will equip students, men, and women with skills, dignity, and opportunity--transforming lives and generating local income to overcome intense poverty and move toward self-sustainability.

Unreached Community hearing the gospel for the first time

Ministry founder, Pat Hembree, wrote a gospel track based on the Uganda flag colors and crested crane, known for grace and peace, that has led many to understand what Jesus did to offer us forgiveness and to give us a way to eternal life in Heaven. PRAISE THE LORD!

Because our U.S. board is all volunteers and no overhead, every dollar you give goes directly on mission. Every seed you sow brings tangible Kingdom impact—backed by prayer, accountability, and a deep passion to see lives changed.
